### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance:

#### In Reference to Claims 1-13

In a dispense closure for a fluid receptacle having a cap according to claim 1, the inclusion of a blister pack including at least one deformable blister thereon, the blister being insertable through an aperture extending through the cap, and a retaining ring supporting the blister cap and sealing the cap and fluid receptacle together was found in all of the claims but not the prior art.

#### In Reference to Claims 14-21

In a dispense closure for a fluid receptacle having a cap according to claim 14, the inclusion of a blister pack including at least one deformable blister thereon, the blister being insertable through an aperture extending through the cap, and a bore seal extending from the cap and around the cap, the bore seal being configured to seal together the cap and fluid receptacle was found in all of the claims but not the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee.

Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
